TD Banknorth Donates \$15,000 to Cape Abilities

As part of their “Housing for Everyone” grants program, the TD Banknorth Charitable Foundation and TD Banknorth Inc. awarded \$15,000 to Cape Abilities. The foundation donated a total of \$1 million dollars to support affordable housing throughout the Northeast.

Cape Abilities is a non-profit organization that provides jobs, homes, and therapeutic services for people with disabilities on Cape Cod.

The grant money was used for renovations at a Cape Abilities residence in Harwich. These improvements included a new roof, windows and flooring as well as painting and landscaping.

Larry Squire, Regional Co-President, Cape Cod Region of TD Banknorth added, “We’re delighted to be partners with such a terrific resource for the community, and to help support all of their good work. We look forward to an ongoing relationship and working together in the future.”

The TD Banknorth Charitable Foundation is the charitable giving arm of TD Banknorth Inc., a major financial institution based in Portland Maine. It is one of the 25 largest commercial banking organizations in the United States.

Cape Abilities was founded as Nauset Workshop in Orleans in 1968. Cape Abilities now serves people with disabilities from Bourne to Provincetown. For more information visit www.CapeAbilities.org .
